E-BIKE

Electric bicycle (e-bike) we offer is low step frame bicycle, equipped with mid-class components, with 36V/10Ah Lithium Polymer battery.

The maximum load is 125 kgs. The assisted range in standard terrain is 50+ km in pedelec mode. This e-bike has also grip accelerator for faster starts.

Bike Rental includes

- a handle-bar bag (not with e-bike)
- a lock
- a rear pannier (on request)
- a helmet (on request)
- the repair kit is usually per two bikes (pump, spare tube, tools).

Optional

- **100 % water proof pannier**, surcharge 10 Euro per pannier per tour, on request in advance.
- **new helmet** for sale per 25 Euro, on request in advance
- **new cycling water bottle** for sale per 4 Euro, on request in advance
